

# BOARDING BELT

## Width (Nylon part):

Inner Belt: 4.5cm (1.75"), providing comfort and stability when worn underneath.

Outer Belt: 5cm (2"), offering a secure and firm fit, especially when used to attach gear or equipment.

## Package Includes:

1x Inner Belt: Designed for comfort and a snug fit around the waist.

1x Outer Buckle Belt: Equipped with a metal buckle for a secure and adjustable fit, this outer belt is designed to hold pouches, holsters, and other tactical gear.

## Belt Dimensions:

S: Fits waist sizes between 76-86cm, with a total belt length of 130cm, ensuring a precise fit for smaller waists.

M: Fits waist sizes between 86-96cm, with a total length of 142cm, providing a comfortable fit for medium-sized waists.

L: Fits waist sizes between 96-106cm, with a total length of 150cm, ideal for larger waist sizes.

**Material:** Made from high-quality, durable nylon paired with a robust metal buckle, this belt ensures both strength and longevity, providing reliable performance in demanding conditions.

**Weight:** The belt weighs 600g, offering a balanced combination of sturdiness without being overly heavy for daily or tactical use.

**Outer Belt Color Options:** Available in three versatile and tactical color choices—Black, Coyote Brown, and Ranger Green—allowing users to coordinate with different gear or uniform setups.

**Inner Belt Color:** The inner belt comes in a sleek Black, ensuring a uniform and professional look.

This belt system is engineered to offer optimal performance for tactical and professional use, whether in the field, at the range, or during everyday activities. Its combination of durability, adjustability, and tactical functionality makes it a versatile and essential accessory.
